

Help us learn more about you! Bush Advanced Veterinary Imaging is a fixed advanced diagnostic imaging center dedicated to providing advanced imaging studies exclusively for veterinary patients. At BAVI, we understand that you have a special relationship with your clients. We also understand that a relationship built on honesty, trust, and understanding is critical to our mutual success. When referring patients to us, you can take comfort in knowing that we will work together as a team to advance patient care without interfering with that special relationship you have with your clients.

Please take a minute to provide us with information about you and your clinic:

Practice Name _____
